PRELIMINARY AMENDMENT

Hon. Commissioner for Patents
Patent and Trademark Office
Alexandria, Virginia 22313-1450

Sir:

Kindly enter the attached preliminary amendment.

The amendment is in the form of a complete copy of the application as first filed in Great Britain in order to obtain priority, but with underlinings and deletions to align the application to USPTO format. There are no substantive changes.

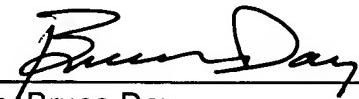

A certified copy of the British patent application is enclosed for priority purposes.

Amendments to Claims

Claims 1-14 are amended to eliminate multiple dependencies.

Claim 15 is cancelled.
